

ZPIZZA

zpizza was founded in the art colony of Laguna Beach, California, where creativity and craftsmanship have flourished for almost a century. So it comes as no surprise that our critically acclaimed pizza is a true Laguna original. A passion for great food is why we start with dough made from non-GMO wheat flour prepared fresh every day, hand-thrown and fire-baked until uniquely crisp.

Our zest for quality continues when the toppings go on. We combine select ingredients using award-winning skim mozzarella from Wisconsin, certified organic tomato sauce, MSG-free pepperoni, additive-free sausage, and fresh produce. Our gourmet salads and sandwiches are just as delicious. We hope you enjoy our authentic and unique recipes as much as we enjoy making them for you.
